

GIVE FOR GOOD

SAN MATEO COUNTY
CHARITABLE CONTRIBUTIONS CAMPAIGN

September 15, 2017

Dear Fellow County Employees,

Our County workforce's goodwill toward each other and the community is part of what makes us proud to belong to such a generous organization. In this spirit, we're pleased to launch the 2017 County of San Mateo Charitable Contributions Campaign which offers a unique opportunity to support the work of nonprofits benefitting the county's residents and environment.

While the charitable campaign is a year-round effort, September 15 kicks off a dedicated period running through the end of the year to increase awareness of participating charities and the need to support their critical work.

The programs and services supported by the campaign cover a diverse range of needs and goals — health and human services, veterans' services, medical research, counseling, rehabilitation, family and homeless services, youth guidance crisis intervention, environmental protection and many more.

Since 2004, the campaign has raised approximately \$1.3 million thanks to the commitment of our valued employees.

San Mateo County is a special place but there remain challenges for some who call the county home. Our partner charities do phenomenal work, but they can't do it alone. We encourage you to consider participating in the campaign either through payroll deductions or one-time donations. Every monetary gift increases the ability of these charities to aid our residents and the place where we choose to live, work and enjoy.

For more information about how you can help, please visit the Campaign's website at <http://cmo.smcgov.org/charitable-contributions-campaign>. There you'll find a brochure with details about all the charities, a pledge form, and a list of department Campaign Coordinators who are available to answer your questions.

Sincerely,

A handwritten signature in blue ink that reads "John L. Maltbie". The signature is written in a cursive, flowing style.

John L. Maltbie
County Manager/Clerk of the Board
