Stay in touch: HS_Comms@smcgov.org

Directions

San Mateo Medical Center Education Room 1

222 W 39th Ave., San Mateo, CA 94403

Public Transportation: We strongly encourage participants to take public transportation. The Medical Center is a 10-minute walk from the Hillsdale Caltrain and the #294 and #295 buses stop directly in front of the building.

Driving: Park in the West Parking Lot (the large lot on the hill, **entrance is on 37th Avenue**). Please be mindful of patient parking spaces. Please don't park in the parking lot directly in front of the Medical Center, which is for Emergency Department patients.

Directions to Education Room 1 From the West Parking Lot: Take the ramp down and enter the building through the West Entrance (follow the blue signs). Go straight down the long hallway, then turn left. You'll see a service elevator on your right. Take the elevator to the second floor and turn left out of the elevator. Take another left and continue down the hall. The room will be on your left.
