FINAL SELECTION

Architectural and Engineering Services for the Cordilleras Health System Replacement Project

The County of San Mateo, County Manager's Office and the Project Development Unit are pleased to announce that **Cannon Design** has been selected to perform the requested services as identified within the Request for Proposal for Architectural and Engineering Services for the Replacement of Cordilleras Mental Health Facility issued September 1, 2017.

The County would like to thank all firms that have submitted qualifications and proposals in response to these requests as well as for their overall interest in the Cordilleras Project.
