SECTION III – GENERAL TERMS AND CONDITIONS

Read all Instructions. Read the entire RFP and all enclosures before preparing your proposal.
Proposal Costs. Costs for developing proposals are entirely the responsibility of the proposer and shall not be charged to the County or otherwise reimbursed by the County.

Proposal Becomes County Property. The RFP and all materials submitted in response to this RFP shall become the property of the County.

Questions and Responses Process. Submit all questions relating to this RFP to the contact noted in Section IV.

All questions must be received no later than January 17, 2018 by 5:00 p.m.

Addendums, additional information, responses to questions, and changes to this RFP, if warranted, will be posted to the PDU website: www.smcpdu.org. It is the responsibility of each proposer to check the website for changes and/or clarifications to the RFP prior to submitting a response. A proposer’s failure to do so will not provide a ground for protest.

Alteration of Terms and Clarifications. No alteration or variation of the terms of this RFP is valid unless made or confirmed in writing by the County. Likewise, oral understandings or agreements not incorporated into the final contract are not binding on the County.

If a proposer discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFP, the proposer must immediately notify the County of such error in writing and request modification or clarification of the document. If a proposer fails to notify the County of an error in the RFP prior to the date fixed for submission, the proposer shall submit a response at his/her own risk, and if the proposer enters into a contract, the proposer shall not be entitled to additional compensation or time by reason of the error or its later correction.

Modifications or clarifications to the RFP will be posted to the PDU website www.smcpdu.org as outlined above without divulging the source of the request for same. The County may, at its discretion, also give electronic notice by email to all parties who have notified the County of their electronic contact information in response to this RFP, but no party that fails to receive email notice has any basis for protest given that all clarifications will be available online. It is the obligation of all proposing parties to check the website for updates regarding the RFP if they wish to be kept advised of clarifications prior to submitting a proposal.

Selection of Firm. The selection of a firm will be memorialized in the form of a “County Agreement with Independent Contractor” (see the enclosed sample of the Standard Contract Template), authorized by a resolution of the County Board of Supervisors and signed by both parties.

The County reserves the right to reject any or all proposals without penalty. The County’s waiver of any deviation in the proposal shall in no way modify the RFP documents or excuse the proposer from full compliance with any eventual contract.

Once a firm has been selected, the Agreement with that general contractor must still be negotiated and submitted to the San Mateo County Board of Supervisors for approval, and there is no contractual agreement between the selected general contractor unless and until the Board of Supervisors approves and the County executes the Agreement. Selection of a proposal for negotiation of contract terms and eventual submission to County leadership by way of an Agreement does not constitute an offer, and proposers acknowledge by submission of a proposal that no agreement is final unless and until approved by the Board of Supervisors.

Equal Benefits. Selected Firm shall comply with all laws relating to the provision of benefits to its employees and their spouses or domestic partners, including, but not limited to, such laws prohibiting discrimination in the provision of such benefits on the basis that the spouse or domestic partner of the Firm’s employee is of the same or opposite sex as the employee.

Jury Duty. The selected firm must comply with the County Ordinance requiring that the contractor have and adhere to a written policy that provides its full-time employees who live in San Mateo County with no fewer than five days of regular pay for actual jury service in San Mateo County. This policy may provide
that employees deposit any fees received for such jury service with the contractor or that the contractor deducted from the employee's regular pay the fees received for jury service. See the Jury Service Requirements Chapter 2.85 of the Ordinance Code of San Mateo County enclosure. If the proposer has no employees that qualify for jury duty in San Mateo County, the proposer may satisfy this requirement by providing the County with written confirmation of the fact that (1) it has no such employees and (2) it will comply with the jury service pay ordinance with respect to any future qualifying employees.

**Insurance.** The County has certain insurance requirements that must be met. In most situations those requirements include the following: the proposing firm(s) must carry $1,000,000 or more in comprehensive general liability insurance; the proposing firm(s) must carry motor vehicle liability insurance, and if travel by car is a part of the services being requested, the amount of such coverage must be at least $1,000,000; if the proposing firm has two or more employees, the firm must carry the statutory limit for workers’ compensation insurance; if the contractor or its employees maintain a license to perform professional services (e.g., architectural, legal, medical, psychological, etc.), the firm must carry professional liability insurance; and generally the contractor must name the County and its officers, agents, employees, and servants as additional insured on any such policies (except workers compensation). Depending on the nature of the work being performed, additional requirements may need to be met.

**Incomplete Proposals May be Rejected.** If a proposer fails to satisfy any of the requirements identified in this RFP, the proposer may be considered non-responsive and the proposal may be rejected.

**Contact with County Employees.** As of the issuance date of this RFP and continuing until the final date for submission of proposals, all proposers are specifically directed not to hold meetings, conferences, or technical discussions with any County employee or contracted consultant for purposes of responding to this RFP except as otherwise permitted by this RFP. Any proposer found to be acting in any way contrary to this directive may be disqualified from entering into any contract that may result from this RFP.

Proposers should submit questions or concerns about the process as stated above. The proposer should not otherwise ask any County employees or contracted consultant questions about the RFP or related issues, either orally or by written communication, unless invited to do so.

**Group Purchasing Organization Participation.** Proposers should keep in mind that the County is a participant in more than one Group Purchasing Organization (GPO), and this RFP is open to those who provide services under a GPO. Proposers should ensure their proposals are as competitive as possible while also providing the highest quality services in order to be considered viable consultants for the listed services. The County reserves the right to use GPO consultants if doing so is in the County’s best interest, as determined solely by the County, even if that consultant does not submit a proposal in response to this RFP.

**Proposal Fees.** Proposer may elect to present their proposal fee in a way that they deem more competitive. General guidelines for different methods are below:

**Reimbursable Expenses.** The proposed fee for this proposal shall be a lump sum all-inclusive fee. Except with written authorization by the County, County shall pay Reimbursable Expenses incurred only in connection with Additional Services. All reimbursable expenses are on an actual-cost basis without markup. When invoicing for reimbursable costs, detailed back up shall be provided to the County, including detailed material or equipment fees, receipts, hourly rates, time spent on tasks and a description of the task (“Detailed Backup”). Use of subcontractors, previously authorized in writing, must also be presented in the Detailed Backup.

Office overhead should be calculated into the line items within the classifications of the professional rate schedule, and cannot be billed separately. Overhead includes, but is not limited to, accounting functions, office functions, certified payroll compliance, office equipment, phone calls, maintaining books and records, filing, word processing, dictation, office overhead, etc.

Deliverables in the original or electronically are not reimbursable (reports, photos, drawings, etc.), except when additional hard copies are required.
Travel Costs.

There are some general guidelines regarding reimbursement rates that will apply. In general, the following restrictions should be kept in mind:

a. Reimbursable Expenses shall not include local travel

b. Travel expense beyond Local Travel for travel by automobile shall be reimbursed at the current rate set by the U.S. Government, and for travel by other means shall be the actual expense incurred by Architect.

c. “Local Travel” means travel between Firm’s offices and San Mateo County, and travel to any location within a fifty-mile radius of either Firm’s office or San Mateo County.

Reimbursement for the actual cost of lodging, meals, and incidental expenses (“LM&I Expenses”) is limited to the then-current Continental United States (“CONUS”) rate for the location of the work being done (San Mateo/Foster City/Belmont, California), as set forth in the Code of Federal Regulations and as listed by the website of the U.S. General Services Administration (available online by searching www.gsa.gov for the term ‘CONUS’); airline and car rental travel expenses (“Air & Car Expenses”) are limited to reasonable rates obtained through a cost-competitive travel service (for example, a travel or car-rental website), with air travel restricted to coach fares and car rental rates restricted to the mid-level size range or below; and certain other reasonable travel expenses (“Other Expenses”) such as taxi fares, parking costs, train or subway costs, etc. are reimbursable on an actual-cost basis.

If there are no air flights involved, rental cars and pay for rides, where allowed, are reimbursed at the GSA rate from the office or place of ride origin, whichever is less.

Subcontractors. All requirements of this RFP shall apply to any proposed subcontractors.

Miscellaneous. This RFP is not a commitment or contract of any kind. The County reserves the right to pursue any and/or all ideas generated by this RFP. The County reserves the right to reject any and all proposals and/or terminate the RFP process if deemed in the best interest of the County. Further, while every effort has been made to ensure the information presented in this RFP is accurate and thorough, the County assumes no liability for any unintentional errors or omissions in this document. The County reserves the right to waive or modify any requirements of this RFP when it determines that doing so is in the best interest of the County. Finally, the County may revise or clarify aspects of the required services after proposals are submitted by communicating directly to some or all of the consultants that submitted proposals.

The terms and conditions of this RFP, including any addendum, shall become a part of any agreement resulting from this RFP.

C. SUBMISSION OF PROPOSALS

By submitting a proposal, each proposer certifies that its submission is not the result of collusion or any other activity which would tend to directly or indirectly influence the selection process. The proposal will be used to determine the proposer's capability of rendering the services to be provided. The failure of a proposer to comply fully with the instructions in this RFP may eliminate its proposal from further evaluation as determined in the sole discretion of the County. The County reserves the sole right to evaluate the contents of proposals submitted in response to this RFP and to select a contractor, if any.

All responses must be received by the stated date and time in order to be considered for award. The County will not be responsible for late proposals. Proposals received late will not be opened or given any consideration for the proposed services unless doing so is deemed to be in the best interest of the County, as determined in the sole discretion of the County.

D. CONFIDENTIALITY OF PROPOSALS

California Government Code Sections 6250 et seq. (the “California Public Records Act” or the “Act”) defines a public record as any writing containing information relating to the conduct of the public business. The Act provides that public records shall be disclosed upon written request and that any citizen has a right to inspect any public record unless the document is exempted from disclosure. The materials submitted in response to this RFP are subject to the California Public Records Act.

Be advised that any contract that eventually arises from this RFP is a public record in its entirety. Also, all information submitted in response to this RFP is itself a public record without exception. Submission of any materials in response to this RFP constitutes a waiver by the submitting party of any claim that the information is protected from disclosure. By submitting materials, (1) you are consenting to release of such materials by the County if requested under the Public Records Act without further notice to you and (2) you agree to indemnify and hold harmless the County for release of such information.

If the County receives a request for any portion of a document submitted in response to this RFP, the County will not assert any privileges that may exist on behalf of the person or entity submitting the proposal, and the County reserves the right to disclose the requested materials without notice to the party who originally submitted the requested material. To the extent consistent with the Public Records Act and
applicable case law interpreting those provisions, the County and/or its officers, agents, and employees retain discretion to release or withhold any information submitted in response to this RFP.

Submission of a proposal constitutes a complete waiver of any claims whatsoever against the County and/or its officers, agents, or employees that the County has violated a proposer's right to privacy, disclosed trade secrets, or caused any damage by allowing the proposal to be inspected.

E. PROPOSAL EVALUATION
All proposals received will be evaluated by an RFP Evaluation Committee. During the evaluation process, the County may require a proposer's representative to answer specific questions orally and/or in writing. The County may also require a visit to the proposer's offices, other field visits or observations by County representatives, or demonstrations as part of the overall RFP evaluation. Once a finalist or group of finalists is selected, additional interactions or information may be required. The most qualified firm will be recommended by the RFP Evaluation Committee based on the overall strength of each proposal, and the evaluation will be focused on factors such as cost, past performance/ references, and qualifications.

Responses to this RFP must adhere to the format for proposals detailed in Section V - PROPOSAL SUBMISSION REQUIREMENTS. The criteria used as a guideline in the evaluation will include, but not be limited to, the following:

- Qualifications and experience of the entity, including capability and experience of key personnel and experience with other public or private agencies to provide these services
- Proposed approach, including clarity of understanding of the scope of services to be provided and appropriateness of the proposed solution/services
- Customer service
- History of successfully performing services for public or private agencies
- Ability to meet any required timelines or other requirements
- Claims and violations against you or your organization
- Cost to the County for the primary services described by this RFP
- References
- Compliance with County RFP and contractual requirements

The County may consider any other criteria it deems relevant, and the Evaluation Committee is free to make any recommendations it deems to be in the best interest of the County. Inaccuracy of any information supplied within a proposal or other errors constitute grounds for rejection of the proposal. However, the County may, in its sole discretion, correct errors or contact a proposer for clarification.

Note that the County reserves the right to evaluate proposals solely based on each proposer's written submission. In relation to written materials, evaluation will be performed only on the material included directly in the proposal itself unless otherwise indicated or requested by the County. Your proposal must be completed without relying on external websites, sales brochures, marketing materials or white papers.

The County reserves the right to accept proposals, which may not necessarily be the lowest cost.

F. PROPOSAL RECOMMENDATION
The Evaluation Committee will recommend a firm or may recommend that the proposals be rejected. The County will then make its own decision as to whether to accept or reject the recommendations from the Evaluation Committee. Ultimate acceptance or rejection of the recommended proposal and execution of a contractual agreement is the independent prerogative of the County, notwithstanding any recommendations made by the Evaluation Committee. The County reserves the right to negotiate with any consultants to finalize an agreement in relation to the proposer's response.
G. NOTICE TO PROPOSERS
The County is not required to give notice to proposers in any specific format or on any particular timeline. At some point prior to execution of a final agreement for the requested services, the County will notify those who submitted proposals of their non-selection. Proposers may be notified at different times depending on the needs of the County.

H. PROTEST PROCESS
If proposer desires to protest the selection decision, the proposer must submit, by USPS mail, a written protest within five (5) business days after the delivery of the notice about the decision. The written protest should be submitted to the Project Development Unit as outlined below. Protests received after the deadline will not be accepted. Protests must be in writing, must include the name and address of the proposer, identify the RFP service requested, and must state all the specific grounds for the protest. A protest that merely addresses a single aspect of the selected proposal (for example, comparing the cost of the selected proposal in relation to the non-selected proposal) is not sufficient to support a protest. A successful protest will include sufficient evidence and analysis to support a conclusion that the selected proposal, taken as a whole, is an inferior proposal.

The County will respond to a protest within fourteen (14) business days of receiving it, and the County may, at its election, set up a meeting with the proposer to discuss the concerns raised by the protest. The decision of the County will be final. The protest letter must be addressed as follows, with a copy to the County Contact Person:

Deborah Bazan
Director of Project Development Unit
1402 Maple Street
Redwood City, CA 94063

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; and/or (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.
The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

8. **Assignability and Subcontracting**

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of County.
