NOTICE INVITING FOR STATEMENTS OF QUALIFICATIONS
FOR VALET PARKING/SHUTTLE SERVICES

1. Introduction:

The County of San Mateo (“Owner” or “County”) invites “Request for Statements of Qualifications” (“RFSOQ”) submittals from highly qualified vendors (“Proposers”) to provide valet parking/shuttle services (“Services”) to alleviate parking shortages during the construction of multiple projects (“Project(s)”). It is the County’s intent to competitively bid for the provision of the Services. Proposers must be prequalified through this RFSOQ process to receive Request for Proposals (“RFP”) and submit proposals.

2. Scope of Services:

The valet/shuttle parking services will be required for onsite and/or offsite parking for multiple projects in San Mateo, Redwood City and other locations in the County. The current project sites do not have sufficient parking for employees with some parking on the nearby streets. During the construction period, the project sites will be more impacted due to displacement current parking spaces. It is anticipated that the parking shortage will be addressed using onsite valet parking, in combination with offsite parking with or without valet support. Successful Proposer shall be responsible for labor, supervision, equipment, materials, and all other items necessary to operate a high-quality valet service for parking, delivering and directing vehicles to and from the designated valet greeting area and/or providing shuttle service to transport employees to and from offsite parking locations during facility operational hours. The following are the initial projects planning to use the Services. In coming months, there may be additional projects that may use these services. The detailed scope will be published in the RFP document upon selection of prequalified Proposers.

A. San Mateo Health Campus Upgrade, San Mateo

The current parking capacity is approximately 700 stalls. Approximately 300 employees park on neighborhood streets. Approximately 200 employee parking stalls will be displaced during construction. It is anticipated that there will be approximately 700 vehicles daily that will be handled through the valet parking/shuttle services with onsite and offsite parking. The valet/shuttle parking services are anticipated to begin approximately November 2018 and terminate December 2021.

B. County of San Mateo Government Center, Redwood City

The current parking capacity is approximately 1500 stalls, in both the Parking Garage and on the streets. Approximately 400+ employee parking stalls will be displaced during construction in phases and will require the valet parking/shuttle services with onsite and offsite parking. The valet/shuttle parking services are anticipated to begin June 2019 and terminate March 2021.
3. **Mandatory Prequalification Process:**

The prequalification requires an accurate completion and submission of written responses to the questionnaire by interested Proposers. These responses will be evaluated by the County to establish a Proposer’s prequalification status as a condition to submitting a Proposal on the RFP.

The County of San Mateo Project Development Unit (“PDU”) will be the office providing project management services for the Projects. Any questions or requests for clarifications or interpretation of the Prequalification Documents must be submitted in writing to Paul Hundal, Capital Project Manager, County of San Mateo at ahundal@smcgov.org and Sam Lin, PDU Manager, County of San Mateo at slin@smcgov.org by 5pm on August 9, 2018. Questions received after this deadline may be answered at the discretion of the County of San Mateo.

Responses/Addendum will be posted to the PDU webpage - http://cmo.smcgov.org/public-notifications on August 13, 2018. Proposers shall carefully review the posted information and incorporate as directed into the RFSOQ submittals. Proposers should check the website regularly to make sure all notifications including addendum/addenda are read promptly. Proposers submitting RFSOQ submittals that do not reflect the updated information provided may be deemed non-responsive and not accepted by the County.

Proposers shall submit one (1) original, signed RFSOQ submittal that includes the Prequalification Questionnaire and required attachments, together with two (2) additional bound copies, to be delivered in a sealed envelope labeled on the package cover “RFSOQ Submittal for Valet Parking/Shuttle Services for the County of San Mateo Projects, [Proposer’s name and address]” to Sam Lin, Manager, Project Development Unit, County of San Mateo at 1402 Maple Street, Redwood City, CA 94063 by 2:30pm on August 15, 2018.

**RFSOQ submittals received late will not be opened or given any consideration for the proposed services.** Late submittal(s) will be returned to Proposer(s) unopened. It is the responsibility of the Proposers to ensure that the RFSOQ submittals are received at the specified address by the specified deadline noted in this RFSOQ. All proposals will be date and time stamped upon receipt. The County will not be responsible for late or incomplete responses due to mistakes or delays of the Proposer or carrier used by the Proposer or weather delays. However, the County of San Mateo reserves the right to request, to receive, and to evaluate supplemental information after the above time and date at its sole discretion.

4. **Minimum Wage Laws:**

The successful Proposer must comply with any applicable County, State, or Federal wage laws.

5. **Evaluation Measurement for Prequalification:**

Proposer’s compliance with the minimum qualification requirements will be measured by Proposer’s experience as an operating entity for the Services and also by the experience of the supervisory personnel who will have responsible charge of the work.
The criteria identified in this section are evaluation criteria used to review and prequalify the Proposers. All information including the Questionnaire requested in this RF SOQ is for use in the selection process.

A. **Experience:**

Proposer must have valet parking and shuttle service experience for a minimum of five (5) projects within the prior five (5) years all delivered in the local Bay Area projects in a highly dense urban environment such as major shopping malls, corporate campuses, hospitals, high volume valet delivery at events, etc. that are similar to the scale and size of the project(s) requiring the Services. At least one (1) of the five (5) projects listed shall include hospital campus experience.

B. **License:**

Proposer possesses a valid and current license for all the Services proposed. Proposer’s license has not been revoked at any time in the last five (5) years.

C. **Financial and Insurance Requirements:**

Proposer has provided financial statements (income statement and balance sheet) for the last three (3) years showing financial capability to complete this Project. Proposer shall have a minimum of insurance policies below and the County of San Mateo shall be named as additional insured and Contractor’s insurance is to be primary and non-contributory.

C. **Resume of Proposed Key Personnel:**

Proposer shall provide a resume for each named Key Personnel (as defined in Paragraph 5F above) of Proposer, to include Proposed Role on this Project; Years of experience in valet parking and shuttle business; Year of service with Firm; (2) client references, including contact
names, office addresses, e-mail addresses and telephone numbers, and description of five (5) projects of a similar nature worked on in the past five (5) years.

D. **Project Approach:**
Please describe the approach your team plans to manage the project(s) and explain how this approach would benefit the Owner, highlighting aspects regarding:

  i. **Team Organization**
  Provide an organizational chart of the management and staffing for operations for both onsite and offsite parking services. Proposed Key Personnel must be current employees of the proposed firm.

  ii. **Strategies for Onsite and Offsite Parking Services**
  Describe how the operation will be accomplished to run a smooth and safe valet parking and/or shuttle service with onsite and offsite parking in the most economical and efficient fashion.

  iii. **Quality Control, Safety and Problem Solving**
  Describe your quality control and safety program. Explain the methods used to ensure quality control during operation.

E. **Insurer Letter:** Proposer shall provide a letter from an insurance underwriter, having a financial rating reasonably acceptable to Owner, confirming that the insurer will provide Proposer the required coverages and amounts stated in the Questionnaire.

F. **License:** Evidence of a valid and current license to run the valet parking/shuttle services.

G. **Litigation History:** Description of litigation history since 2010, including names and contacts of involved parties, nature of dispute and disposition.

7. **Key Selection Criteria**

A. **Completeness of RFSOQ Submission:** Submittals should describe the Proposer’s qualification in comprehensive valet parking and shuttle services and address all the requested information in this RFSOQ.

B. **Personnel Experience and Qualification:** Evaluation of the list of Key Personnel specifically assigned to the proposed project including their qualifications, overall experience and recent experience on projects of similar scope, scale and complexity as the project(s).

C. **Depth and Quality of Proposer’s Performance:** Review of past performance on projects of similar scope, scale and complexity as the proposed project(s) and the responsiveness to clients’ requests.
D. **Technical/Management Approach:**
   Evaluation of the Proposer’s overall ability to safely and efficiently plan and manage the delivery of the Services based on the approach taken with high quality Customer Service standards.

E. **Availability:** Evaluation of the workload of the Proposer, the proposed staffing and the office location(s) of the proposed Key Personnel to be assigned to the project(s).

F. **Financial Stability:** Evaluation of the overall financial position of Proposer as determined from financial information required by this RFSOQ or from other independent sources.

G. **Claim History:** Evaluation of the Proposer’s litigation history on past and current claims against the Proposer.

H. **Size, Capability, and Continuous Operation of California Office over the past five (5) years:**
   Evaluation of the capability and stability of the Proposer’s firm to deliver this project.

8. **General Conditions**

   The submission of a RFSOQ Submittal does not commit County to award a contract for the Project, to pay costs incurred in the preparation of the Submittal, or to procure or contract for any services. Costs for preparing the Submittal will be paid entirely by the Proposers.

   County reserves the right to interpret or change any provision of this RFSOQ at any time prior to the submission date. Such interpretations or changes shall be in the form of addendum/addenda to this RFSOQ and posted on the County of San Mateo Project Development Unit webpage. County reserves the right to waive inconsequential deviations from stated requirements.

   County retains the right to reject any and all RFSOQ Submittals, to contract work with whomever and in whatever manner County decides, or to abandon the work entirely. County shall make final decisions regarding a Proposer’s qualifications as of Proposal day. All decisions concerning Proposer selection shall be made in County’s best interests.

   County has made a determination in accordance with Section 6255 of the Government Code that all RFSOQ Submittals response to this RFSOQ shall not be made public by County until after County issues a notice of intent to enter into a Contract with the successful Proposer. In addition, County has made a determination in accordance with Section 6255 of the Government Code that all Proposer proprietary financial information submitted in response to this RFSOQ and specifically identified by the Proposer as “confidential” will not be made public by County to the extent permitted under applicable Federal and State laws. In the event a Proposer wishes to claim selected portions of the RFSOQ Submittal exempt from disclosure under the Public Records Act, Proposer should clearly identify those portions with the word “confidential” printed on the lower right-hand corner of the page, along with a written justification as to why such information should
be exempt from disclosure. Blanket designations of “confidential” shall not be effective. However, County will make a decision based upon applicable laws. County will notify the applicable Proposers of any requests for disclosure under the Public Records Act. Proposers agree to defend and indemnify County from any claims and/or litigation arising from such requests.

Proprietary or confidential data should be readily separable from the Submittal in order to facilitate eventual public inspection of the non-confidential portion of the Submittal. Confidential data is normally restricted to confidential financial information. The price of products offered or the cost of services shall not be designated as proprietary or confidential information.
