REQUEST FOR INFORMATION RESPONSES

Question 1: “Will the Low Voltage Cabling & Audio Visual System bid work go through Truebeck Construction or San Mateo County for the (COB-3) project?”

Answer: “Low Voltage Cabling & Audio Visual System scope of work will be procured by Truebeck Construction as part of the Electrical Bid Package. Subcontractors with intent to bid strictly on Low Voltage Cabling or Audio Visual scope of work can still bid the project as a 2nd tier subcontractors through the prequalified Electrical bidders. 2nd tier subcontractors do not have to submit their prequalification to Truebeck Construction.”
