Celebrate Halloween Safely: Protect yourself, loved ones, and the community from COVID-19

**LOW-RISK**
- Decorating pumpkins and your home with your household
- Outdoor Halloween scavenger hunt while walking outside, looking at decorations
- Halloween movie night with people you live with
- Scavenger hunt for treats with your household in or around your home
- Decorating pumpkins with friends outside, at a safe distance
- Virtual Halloween costume contest

**MODERATE-RISK**
- One-way trick-or-treating: Individually wrapped goodie bags left for families at the end of a driveway or at the edge of a yard
- Outdoor party with masks and people distancing more than 6 feet apart
- Visiting pumpkin patches where people use hand sanitizer, wear masks and keep a safe distance from others
- Outdoor costume parade with a small group physical distancing more than 6 feet apart
- Open-air, one-way, walk-through haunted forest with masks and distancing
- Outdoor Halloween movie night with local family friends distancing at least 6 feet apart

**HIGH-RISK**
- Traditional trick-or-treating with children going door to door
- Hayrides or tractor rides with people from different households
- Indoor haunted houses with crowding and screaming
- Traveling to a rural fall festival that's not in your community if you live somewhere with increased virus transmission
- Crowded indoor costume parties
- Handing out candy from cars lined up in large parking lots
