| Councilmember Rafael Avendano made a motion to recommend the approval of a zoning text and map amendment to rezone the subject parcels from “PUD 133.”, to “PUD 137”, pursuant to Section 6550 of the County Zoning Regulations for the construction of a 16-unit, two story multi family supportive housing development at 101/105 fifth Ave in unincorporated North Fair Oaks. The council recommends following conditions: | - Prior to the issuance of a building permit, the applicant shall submit for review and approval a landscape/streetscape plan that includes drought tolerant, native and non-invasive plant and tree species most suitable to the San Mateo County bayside area. Said landscape plan shall be implemented prior to the issuance of the Certificate of Occupancy the proposed development.  
- Fliers, directives to delivery personnel, resident and employee rules shall include the following language in English and Spanish: Eastbound travelers on Fifth Ave are advised to use the Glendale Ave over crossing to access the complex’s parking lot.  
- The construction contractor shall develop a construction management plan for review and approval by the County’s Planning and Public Works Departments. The plan shall include at least the following items and requirements to reduce, to the maximum plan for review and approval by the County’s Planning and Public Works Departments. | Controller John Shott seconded the motion.                                                                                                                                                                                                  |                                                                                                                                                                               |
<p>| Councilmember John Shott made a motion to recommend that the Department of Public Works along with the San Mateo County Planning Department work with the Selby Park neighborhood and the North Fair Oaks Community Council to develop strategies to implement changes that address existing traffic issues within the Selby Park neighborhood utilizing submitted documents as a starting point. | The motions were unanimously approved by the following councilmembers: Rafael Avendano, Beatriz Cerrillo, John Shott, Linda Lopez, and Dale Miller, Esperanza Vasquez                                                                                                           |                                                                                                                                                                               |
| <strong>Adjournment</strong>                                                      | Councilmember John Shott made a motion to adjourned the meeting.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Councilmember Rafael Avendano seconded the motion.                                                                                                                                                                   |</p>
