To: Members, North Fair Oaks Community Council

From: Angela Chavez, Project Planner
Planning and Building Department

Subject: Use Permit
3501 Edison Way, North Fair Oaks

RECOMMENDATION:
Review project proposal to provide a recommendation to Planning Staff to determine whether or not the grating of the Use Permit is appropriate for the neighborhood.

BACKGROUND:
Date Filed: April 26, 2013

Owner/ Applicant: Edison Technology Park/ Landmarc Laundry Services, LLC

Project Title: Use Permit

County File Number: PLN2013-00153

Project Location: 3501 Edison Way, North Fair Oaks

APN: 060-042-170

Project Description: Use Permit to allow for a wholesale cleaning establishment to operate within an existing commercial building.

DISCUSSION:
The subject parcel is zoned M-1/Edison/NFO (Light Industrial/Edison/ North Fair Oaks) and is currently developed with multiple units of warehouse and office space. The proposed project seeks to allow a commercial wholesale cleaning establishment to operate within two of the units. Per Section 6277.3.B.2 this type of use is allowed in this zoning district with the issuance of a Use Permit. The use will not result in any exterior...
changes to the building but will require tenant improvements to be made to the interior. These changes include the installation of four commercial washing machines, five commercial dryers, an 80-gallon water heater, installation of hot and cold water lines, installation of a gas line to serve the dryers, upgrades to the electrical panel, and installation of partition walls to create a new 131 sq. ft. office. The proposed business hours will be open from 7:00 AM until 6:00 PM (first employee arrives at 6:30 AM) with nine employees who will work staggered schedules (all nine not present at the same time). One van operates from this location and typically makes two round trips per day.

RE: PLN2013-00153 – Use Permit

Dear Planning,

This letter is in response to questions about our operations raised by Public Works.

Landmarc has one van operating out of this location. The van operates Monday through Friday as follows: Typically departs at 6:30 AM returning around 7:15 AM. The van departs again at approximately 7:45 AM returning around 12:00 PM. The van is then parked for the day.

Landmarc’s business hours are 7:00 AM to 6:00 PM Monday through Friday. We have a total of 9 employees working from this location. We have one employee arriving at 6:30 AM, one employee arriving at 7:15 AM, and one that arrives at 8:00 AM. Two more clock in at 9:00 AM. The two early employees are typically finished by 12:00 PM and leave for the day. We then have four employees that start at 1:00 and typically finish between 5:30 PM and 6:00 PM. Of the 9 employees, 5 either walk to work or ride their bicycle to work.

We have six parking spaces for the two suites that we occupy plus off-street parking for our van.

If you should have any other questions, please feel free to contact me.

Sincerely,

Robert Caine
Chief Operating Officer
