

Protect yourself, loved ones, and the community from COVID-19

LOWER RISK

Stay 6 feet away from others even when you wear a face covering

Wear a face covering (over your nose and mouth) & wash your hands often.

Celebrate with the people you live with.

Celebrate outdoors instead of indoors.

Clean and disinfect shared surfaces often.

HIGH RISK

Group gatherings are high risk (so try to avoid them)

Having parties

Physical contact with others

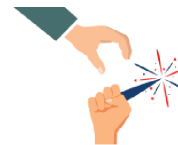

Gathering indoors with people NOT from your household

Visiting people who are high risk

Visiting others when sick

Don't share food, toys or other items

Traveling to other communities
